1 What did Aggie buy on the island?

- a) A hat.
- b) Some presents.
- c) Nothing.

Hello Jenny,

We're in Germany and having a great time. Today we went on a boat trip to an island garden. It was beautiful and there was an amazing butterfly house. I wanted to buy something in the gift shop but it was expensive. I've already spent a lot of money on a hat and I haven't got much left. John bought a toy snake but I saved my money because I want to buy some presents tomorrow.
All the best,
Aggie

LOST: DOG

Big, black dog lost last Thursday at 6 p.m. He ran away during a walk in Green Park. I saw him run across Hill Road and then down Elm Street. I looked there and in Chestnut Lane but couldn't find him anywhere. He is very friendly and will come if you call 'Benji'. If anyone finds him, please phone Becky on 01244 328.

Hi,

Congratulations on passing your exams. Now you're ready to join the real world! You want to know if there are any jobs here. I asked my boss but he says he can't offer anyone a job this year. So I'm afraid I can't help you - but I can give you some advice. First, write to as many companies as possible. Second, type your CV more clearly and use headings. It's very important that it looks nice because it'll help you get an interview. I've attached mine to give you some ideas.
All the best,
Ed
