1 **Chloe** loves looking fashionable but she doesn't have a lot of money. She likes shops with new, trendy clothes. At weekends she works in a café so she doesn't have time for shopping. Fortunately she doesn't have to look smart for work because she wears a uniform.

2 **Gemma** doesn't care about what other people think of her look. She loves finding interesting things to wear and mixing completely different styles to make her own unique look. She even likes to look different at work or when she goes camping with her friends. She never buys second-hand clothes.

3 **Beth** has just left university and her life has completely changed. She got a job in an office so her jeans and T-shirts had to be replaced by a smarter, more professional look. Her holidays are also different. No more camping holidays for her. Now, she's got the money to stay at expensive holiday resorts.

4 **Amanda** works hard and earns a lot. She's very happy about that because she enjoys shopping for clothes. She doesn't buy very smart things for work but she loves looking trendy at the gym, tennis court and in the mountains when she goes skiing.

a West End
is a new women's clothes shop in the shopping centre. The shelves are full of dresses, skirts, blouses and suits for women who want to look their best at all times. The clothes are perfect for interviews, formal dances, dates and, of course, work. It's not cheap but the quality is excellent.

b ONCE AGAIN
Once Again is a small shop in a street near the town centre. It sells second-hand clothes but the quality is very good and the prices are low. Our offer changes from week to week, so there's usually something interesting to try on. If you love fashion, you will love shopping at our shop!

c On The Move is a new clothes shop for active, adventurous people. We sell a variety of sports and outdoor clothes in a range of colours. All our clothes are good quality and are worth their price. Perfect for camping, hiking or other activities. On The Move is a shop for professional sports stars and sport lovers!

d SunDay MARKET
On Sundays, the car park behind the bus station in the town centre becomes an amazing clothes market. You can find anything and everything here: silver jewellery, men's hats, leather jackets, army coats, cool T-shirts and much more! The clothes are all new but the prices are often lower than in second hand shops.

e LOOK RIGHT
IS A NEW SHOP WHICH HAS JUST OPENED IN THE CENTRE OF TOWN. LOOK RIGHT SELLS CLOTHES FOR PEOPLE WHO WANT TO LOOK LIKE THE MODELS IN THE FASHION MAGAZINES BUT CAN'T PAY SO MUCH FOR THE REAL THING. OUR CLOTHES LOOK JUST AS GOOD BUT, WITHOUT THE EXPENSIVE LABELS, THEY'RE POUNDS CHEAPER.
