Dear parents,

We are planning an open day at the school on Monday May 16<sup>th</sup>. These open days are very important for us. We would like to tell you that the school will be closed on the 13<sup>th</sup> and 14<sup>th</sup> for cleaning. Students will have to go home for the weekend or stay in a local hotel.

I would also like to thank all those parents who have agreed to help out at the open day. I'm sure it will be a great success.

Yours sincerely,

Hi Stefan,  
How are you? How's your chess? I've just joined a chess club here. I had my first games yesterday. We played five times. I was really bad. The first game was over in two minutes. I lost the next two games very quickly, too. In the fourth game I was a bit better. I lost after ten minutes! The fifth game was very exciting. I could feel I was playing better. The other player won but I felt much happier at the end. I hope that next time I will win one or two games.  
Take care,  
Louis

Just to say that there is a box full of glasses and other breakable things. When you take it to the new house, please be very careful not to drop it. I'd like you to put it in the hall of the new house, near the stairs. I don't know where I should leave it. I packed it in the living room and it's still there but I think I might put it in the kitchen where it will be safer. It says 'glasses' on the side and there's a big red arrow showing you which side is the top.

4 Where is the box at the moment?

- In the hall.
- In the kitchen.
- In the living room.
